FIFTH AND SIXTH grade students at Appomattox Elementary School became involved with foreign languages this week. Sixth-grade students have been studying mythology assisted by Mrs. O'Brien's Latin students. On Friday Beverly Coleman, Gina George, Jane Doss, and Philip Jacobs taught the students Christmas carols in Latin. These students will be assisting on a regular basis in connection with the school system's gifted-and-talented program.

Mrs. Fratrick appointed

Mrs. Jenny Fratrick has been designated to serve as Christmas Mother for Appomattox County. This is a new idea for this area and is a volunteer project in conjunction with the Appomattox Social Service Department.

Appomattox has ten foster children and 100 known additional families whose Christmas season would be made happier by your giving.

Show your love this Christmas season by giving through the Appomattox Social Service Department's annual gift-fund drive to a child or and adult in need. Gifts of food, clothing, household articles, toys and money are greatly appreciated and are now being accepted.

Mrs. Fratrick is in charge of coordinating the collection and distribution of gifts. Please call the Appomattox Social Service Department, phone 352-7125, Monday Friday, 8:30 a.m. - 4:30 p.m.

To love is to give.....give generously.
